Introduction

Welcome to Therapéa Kids, a dedicated Child and Youth Care Centre focused on offering love, care, and healing to children who have experienced trauma and abandonment. Our work is driven by compassion and a commitment to making a meaningful, lasting difference in the lives of vulnerable children.

About Therapéa Kids

Therapéa Kids is a registered Child and Youth Care Centre established in 2013, committed to creating a safe and nurturing environment for traumatized and abandoned children. We operate under the umbrella of OCSA (Operation Compassion South Africa), the national welfare organization of the Full Gospel Church in South Africa.

As a fully registered NPO, we comply with all official regulations and standards. Our mission is to provide an environment where children receive unconditional love, care, and support, helping them realize their potential and build a positive future.

Our Purpose

In a country with many orphaned and displaced children, Therapéa Kids aims to be a beacon of hope. Our purpose is to serve as a safe refuge for children affected by trauma and abuse. Today, the concept of “orphans” includes children removed from their homes due to abuse or danger – a reality we address by providing environments focused on safety, growth, and hope.

Currently, we operate two homes caring for 34 girls aged 4 to 21, providing essentials like shelter, clothing, and nutritious food. Our vision extends beyond basic needs; we aim to build a network of caring homes to offer more children safety and support. We are proud to announce the opening of our second home, marking a significant step toward expanding our reach and impact.

Vision

To foster a culture that respects child rights by offering safe, nurturing alternative care options for children needing special protection.

Mission

South Africa faces a significant number of orphaned and vulnerable children. Our mission is to recognize their needs and respond with compassion and effective support. Evidence shows that inadequate parenting can cause long-term emotional and developmental difficulties, impacting a person's ability to form healthy relationships and succeed in life.

At Therapéa Kids, we aim to address these challenges by providing:

- A nurturing, safe environment
- Loving and dedicated caregiving
- Access to resources and positive relationships
- Exposure to values that promote healing and growth
- Social, educational, and medical support
- Capacity-building for community caregivers through training and supervision
- Life skills development and therapeutic services

Our goal is to lay a foundation of hope and stability, helping children heal, thrive, and reach their full potential.

Our Values

At Therapéa Kids, our work is guided by core values, including:

- Every child deserves love and high-quality care, always acting in their best interest
- Respecting and honoring each child's rights
- Preserving and strengthening family connections whenever possible
- Providing efficient, culturally sensitive, and accessible services
- Promoting transparency, accountability, confidentiality, and respect for privacy
- Listening to and valuing the voices of children
- Supporting positive parenting and nurturing environments

Our Dream

"We believe in the power of health, healing, peace, and stability to transform lives."

We are dedicated to breaking the cycle of social brokenness affecting vulnerable children. Through holistic and effective support systems, we guide children toward healing and a brighter future. Every effort is made to foster resilience and facilitate long-term restoration, believing that investing in children is investing in the future of communities and the nation.

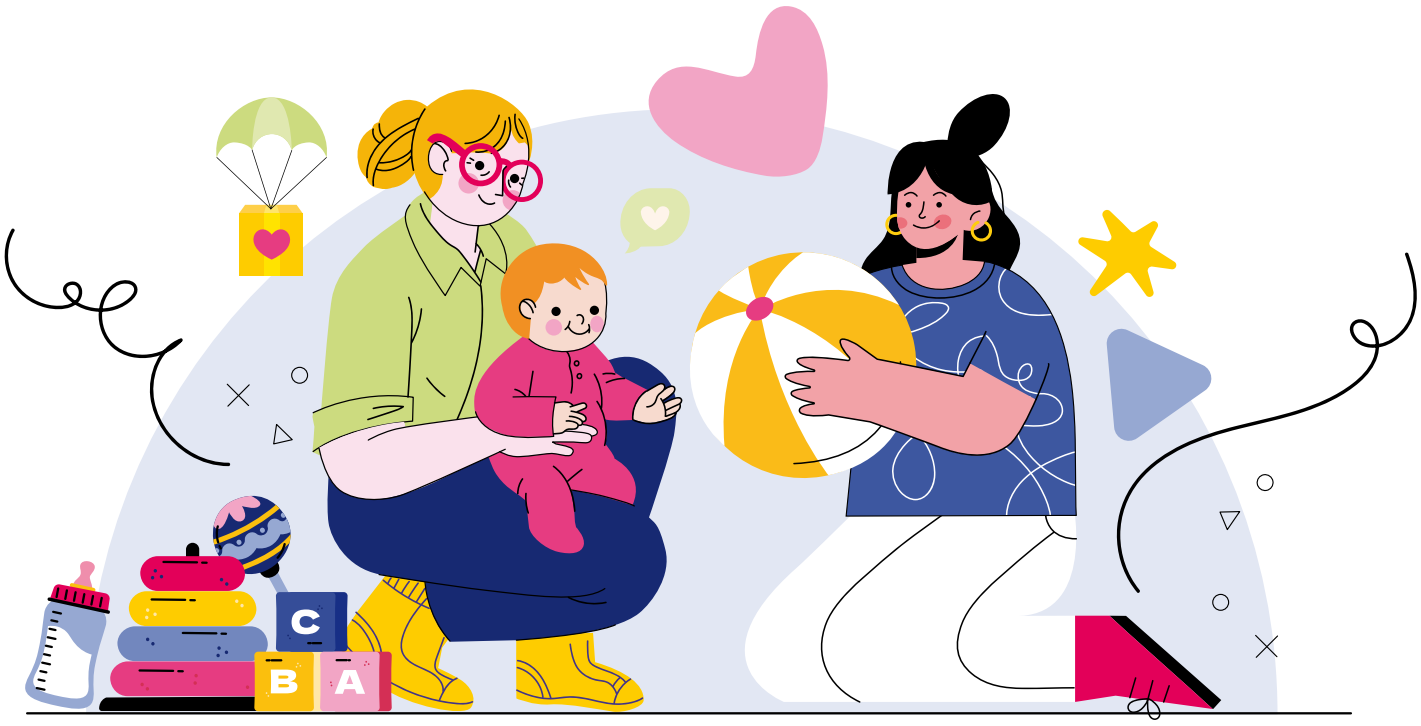

How you can make a Difference

Please note that we do not receive government grants or subsidies; our work depends entirely on the generosity of individuals and organizations who share our vision. Supporting this vital work involves costs that include:

- Basic necessities: clothing, school uniforms, sports equipment
- Recreational and developmental programmes to encourage growth in all areas
- Therapeutic services to assist healing
- Employing qualified staff dedicated to children's well-being

We kindly ask you to keep our work in your thoughts and prayers as you consider how you might support our mission. Your donations and support are essential to maintaining and expanding our services.

Make Contact

Your support enables us to continue our work and impact more children's lives. We sincerely thank everyone who has supported us along the way and invite you to join us in.

As we conclude, we extend our deepest gratitude to everyone who has supported us along the way. We warmly invite you to continue walking this journey of hope, healing, and transformation with us.

Together, we can make a lasting and profound difference in the lives of these precious children.
